

Subject: Environmental and regulatory attestation form

Dear Sir or Madam,

Cascades Canada ULC manufactures products that comply with strict environmental and food safety standards. We are therefore asking for your cooperation in ensuring that **the materials used in manufacturing** our products do not impede our compliance with any of the following requirements:

- GREEN SEAL™ STANDARD FOR SANITARY PAPER PRODUCTS GS-1
- STANDARD FOR SUSTAINABILITY FOR SANITARY PAPER PRODUCTS UL 175
- FDA CFR 21, section 176.170 and FDA CFR 21, section 176.180

Please complete the information in the following table by indicating whether the chemical product complies with the above criteria. If a criterion does not apply to a chemical product, please indicate this.

Name of chemical product: _____

Criteria related to the standards	Compliant	Non-compliant	Not applicable
Does not contain chlorine or chlorine derivatives (GS-1, clause 3.5.1)			
Does not contain any substances listed in California Proposition 65 (GS-1, clause 3.5.3; UL-175, clause 6.8)			
All so-called organic compounds must be easily biodegradable via an approved method set out in GS-1 (clause 3.5.6) and UL-175 (clause 6.9)			
No substance or compound has a GHS hazard statement (UL-175, clause 6.10)			
Does not contain formaldehyde or glyoxal (UL-175, clause 6.11)			
Does not contain alkylphenol ethoxylates or other alkylphenol derivatives (APEOs) (UL-175, clause 6.13)			
The active compounds do not have the potential for bioaccumulation (UL-175, clause 6.14)			
Meets the Food and Drug Administration standard (FDA CFR 21, section 176.180)			
Meets the Food and Drug Administration standard (FDA CFR 21, section 176.170)			

Compliant: Use of this product does not violate the listed criterion
 Non-compliant: Use of this product violates the listed criterion
 Not applicable: The criterion does not apply to the product

The supplier is responsible for obtaining the standards and providing the best information available. Under certain circumstances, other tests may be required.

Please return this signed certification, making sure to attach any safety data sheets or other supporting documents, to chemicals@cascades.com. These criteria are subject to change with a notice.
